MEMORANDUM OF UNDERSTANDING
JULY 1, 2008 – JUNE 30, 2009

Preamble

This Memorandum of Understanding (MOU) is made and entered into between the City of Tempe, Arizona, hereinafter referred to as “City,” and the Tempe Supervisors Association, hereinafter referred to as “Association,” under the authority of Tempe City Code 2-400 et seq.

WHEREAS the Parties, through their designated representatives, met and conferred in good faith pursuant to Tempe City Code 2-400 et seq. in order to reach agreement concerning wages, hours, and working conditions of employees in the Association.

NOW THEREFORE, it is agreed that this MOU shall be submitted to the City Council of the City of Tempe for its consideration.

Article 1 – Definitions

For the purposes of this MOU, the following definitions shall apply:

“Unit Member”	A City employee identified in Section 2-401(a)(5) of the Tempe City Code.
“Work Unit”	A reference to the entire group of City employees represented by the Association.
“Breach”	An alleged violation of the provisions outlined in this MOU.
“Grievance”	A specific alleged violation of City Personnel Rules and Regulations initiated by or on behalf of an individual. The process for initiating a grievance is outlined in City Personnel Rules and Regulations; Rule 6, Section 605.
“Continuous Service”	Where the phrase “continuous service” is used to define employee benefits in this document, employees reinstated within one year of their resignation date are considered to have continuous service for purposes of determining those benefits.

Article 2 - Proviso for Existing Benefits

1. For the purpose of expediting the Meet and Confer process leading to agreement on an MOU, the Parties agree to the following Proviso which shall expire on June 30, 2009, unless renewed in writing by subsequent action of the Parties:
 - A. The parties agree and Tempe City Code 2-400 et. seq. confirms that in the event of a conflict between the City of Tempe Personnel Rules and Regulations, Department General and Operations Orders, attachments thereto, other Council approved programs, and this MOU, the MOU shall apply to the conflicting issue. If there is no conflict between the above referenced documents, the parties are governed by the Personnel Rules and Regulations, Department General and Operations Orders, attachments thereto and other Council approved programs. In the event all such formerly referenced documents are silent on a particular issue, the City Manager and/or designee shall retain the right to exercise judgment on all such matters.
 - B. If, during the term of this Agreement, the City anticipates a substantive change in the benefits not included in this MOU, but provided to unit members through the City of Tempe Personnel Rules and Regulations and attachments thereto, Administrative Memorandum and other Council approved programs, the City shall meet with the Association, explain the reasons for the change, discuss the potential impact of such changes prior to making such changes, and allow the Association to propose alternatives to the changes.
 - C. If the City intends to provide additional benefits to Unit Members, any such additional benefits will be discussed with the Association President prior to implementation.
 - D. The referencing of the Personnel Rules and Regulations and other such policies and procedures herein does not make them an extension of this MOU. Therefore, the process for an alleged breach of this MOU as contained in Tempe City Code 2-400 et. seq. or any procedure agreed to by the parties for resolving allegations of an alleged breach of this MOU, shall not be applicable under the proviso for existing benefits.
 - E. Any benefit provided by outside vendors (such as health insurance), and subject to cost increases outside the City's control, may cause a re-opening of this contract for purposes of the affected benefit only. This negotiation process will exclude fact-finding.
2. Fiscal Crisis -- If, during the term of this MOU, the City of Tempe experiences loss of revenues or legal requirements, that if not resolved during the budget year would result in the layoff of employees or the serious curtailment of City services provided to the citizens of Tempe, this MOU may be reopened. This provision

shall only apply if the general population of employees is subject to the same or greater reduction of pay or benefits negotiated as a result of this re-opener provision. The following provisions shall apply to this circumstance:

- A. The City shall notify the Association President in writing of the need to reopen this MOU. Such notice shall include the reasons for the reopening and the anticipated amount of citywide budget shortfall that needs to be resolved in order to alleviate the need to layoff employees or severely curtail City services provided to the citizens of Tempe.
- B. The City shall supply the President with all available current budget information including, but not limited to, projected revenue shortfalls.
- C. The parties shall meet and confer/negotiate in a good faith effort to reach agreement on what, if any reduction in pay and/or benefits shall occur for Unit Members in order to address the City's budget shortfall.
- D. The meet and confer/negotiation process will be for a period of no more than thirty (30) calendar days. During this thirty (30) day period, the parties shall meet at least weekly unless mutually agreed otherwise.
- E. If the parties are unable to reach an agreement on the issues identified for this process, the issues will be submitted directly to the City Council which shall make a final determination. The determination of the City Council shall be final and binding on the parties.

Article 3 - Rights of the City

- 1. The Association recognizes that the City has statutory and Charter rights and obligations in contracting for matters relating to municipal operations. This MOU shall not limit that authority in any manner unless such limitation is expressly provided for by the specific terms of this MOU. There shall be no implied limitations on the rights of the City. In the event this MOU, the City Personnel Rules, and Regulations, other City Council approved programs, and/or the Department's General and Operations Orders are silent regarding a particular issue, the City Manager, or designees shall retain the right to exercise judgment on such matter.
- 2. The Parties, in partnership, pledge cooperation in increasing departmental efficiency and effectiveness. The Association agrees to cooperate with the efforts of the City to increase the diversity of the work force.
- 3. The City and the Department Managers have the responsibility and authority to schedule work and/or overtime in the manner most advantageous to the City; to discipline or discharge employees pursuant to the City Personnel Rules and

Regulations (all disciplinary appeals are outside the procedure for an alleged breach contained in this MOU and Tempe City Code 2-400 et. seq.); to hire, promote, reclassify, layoff and recall employees; to determine assignments and establish methods and processes by which assignments are performed; to transfer employees within the Department in a manner most advantageous to the City, determine the methods or means by which operations and services are delivered; maintain the efficiency of City government in emergencies; and manage all matters not specifically prohibited by this MOU.

4. The inherent and express rights of the City, including those herein specifically referred to, which are not expressly modified or restricted by a specific provision of this MOU, are not in any way, directly or indirectly, subject to the alleged breach procedure contained herein and in the City Ordinance.
5. The enumeration of the above rights and those in the Tempe City Code 2-400 et. seq., are illustrative only and is not to be construed as being all-inclusive.

Article 4 - Rights of the Association

1. The Association, as the authorized representative of its Members, has the exclusive right to serve as the meet and confer representative of all employees in the Work Unit as described in this MOU.
2. The Association may designate Association Representatives and shall notify the City and department managers of such designations. Following an election or appointment of new officers of the Association, the new officers will consult with their department managers and the parties will mutually arrange any necessary scheduling or workload adjustments to allow such officers to conduct Association-related business as provided by this section.
3. During the term of this Memorandum of Understanding, Association Representatives shall be released from duty with full pay when participating in a meeting with the City and/or City representatives, including any grievance hearing or disciplinary meeting with an employee. Association Representatives will also be released from duty with full pay to participate in any committee or task force established by this MOU. Executive Board Members of the Association will be released from duty to conduct/attend up to twelve (12) Executive Board meetings and up to twelve (12) Association meetings, with a maximum duration of four (4) hours each, during each year of the MOU. Association Representatives will also be released from duty to attend up to twelve (12) Association meetings, with a maximum duration of four (4) hours each, during each year of the MOU. The City will provide an additional 300 hours per year to be utilized by Association Board Members and/or Representatives, as authorized by the Association, for the purpose of conducting Association-related

business. All time utilized must be authorized in advance by the appropriate department manager.

4. Association Members and/or Association Representatives who conduct Association business or participate in meetings covered by this Article at times other than their normal work shift shall not receive compensation and said hours are not considered time worked for the purpose of computing overtime.
5. When requested, the City shall furnish to the Association a listing of Unit Members on City payroll deduction for Association dues. The Association agrees to use this list solely for purposes of communicating with Unit Members and will not share this information with other individuals or organizations.
6. The City agrees, in conformity with Tempe City Code 2-400 et. seq., to deduct an amount specified in writing by the Unit Member and transmit such amount to the Association each pay period. Such deductions shall be made only when the Unit Member's earnings for such pay period are sufficient after other legally required deductions are made. The Association reserves the right to increase the amount withheld for all unit members pursuant to a generalized dues increase. Unit members may initiate, discontinue, or amend payroll deductions at any time.
7. The City e-mail system will not be used for Association business. However, The Association President or his/her designee may use City e-mail to distribute information to Unit Members, newsletters, and other communications. Additional exceptions may be made on a case-by-case basis with prior approval of the City Manager.
8. The City shall provide bulletin boards in each work location for the exclusive use of the Association. The bulletin boards shall be readily available to Unit Members. The Association agrees that material posted on the boards will not be derogatory toward any person or the Association, or critical of City leaders or City management and/or their policies/decisions.
9. The Association will be allowed to talk to all new supervisors solely to explain the rights and benefits of employment under the MOU. The association shall be allowed to provide new supervisory employees with information, such as an orientation packet, at the Tempe Essentials Orientation.
10. Upon request from the Association President, the City shall provide the association with City e-mail distribution lists for all unit members and association members. The City will also provide a link to the Tempe Supervisors Association web site from the City of Tempe Human Resources web page, upon request from the Association President.

3. Unit Members have the right to present their own grievance, in person or by an Association representative or other regular employee representative.
 - A. The Association maintains the right to be present during any meeting regarding an alleged breach of the MOU. No person other than the Association President may reach a written agreement with the City that interprets or alters the rights or benefits covered under this MOU.
4. Any Unit Member covered hereunder shall, on his/her request and by appointment, be permitted to examine his/her supervisor's working file, and Department and/or Human Resources' personnel file.

5. Labor-Management Committees

- A. There shall be a citywide Labor-Management Committee consisting of all Union/Association representatives and representatives of the City. In addition, a staff representative of the Association shall be able to attend and observe in these meetings. The purpose of the Committee is to facilitate positive labor-management relationships by providing a forum for the free discussion of mutual concerns and problems, which may include discussion of the implementation of major new City programs or substantial modifications of existing major City programs that will have a significant impact on service delivery, work schedules, or duties.
- B. In each Department of the City with Association membership, there shall be a Departmental Labor-Management Committee consisting of an equal number of representatives of the Association and representatives of the Department. When the City seeks to fill a regular permanent or a regular part-time vacancy, the City will make Unit Members aware of those vacancies through the posting of vacancies, including shift, hours, position, assignments, days off and work location, to be posted for at least two (2) weeks, unless mutually agreed otherwise, in the Department's office, on official bulletin boards, and at other mutually agreed upon locations.
- B. Bidding for shifts or work locations for all Unit Members shall continue by current practice. Article 6 – Wages

1. Step Increases

- A.** The City shall maintain step increases of 5% for all Association Members who have not reached the established maximum salary for their respective classifications. An Association Member who is eligible for a 5% step increase, and whose salary is less than 5% from the maximum of the established range, shall receive a step increase to the range maximum. These step increases will be effective the first pay period ending in July of 2008.

- C.** A Unit member's base salary shall be at least 7.5% higher than the base salary of any employee that he/she directly supervises on a regular basis.

2. Market Adjustments

- A.** Human Resources will conduct a survey of the salaries paid in established market cities for classifications comparable to those held by Association Members, following those cities' post-July 1 salary adjustments. Human Resources will determine the "75th percentile" of the salary maximums paid for each classification. The 75th percentile will be calculated as the average between the median and the highest paid maximum salaries in the established market cities.
- B.** For the first pay period ending in January each year, the maximums of all Association Members' salary ranges will be adjusted to the calculated 75th percentile. All Members' actual base salaries will be adjusted by the same percentage as the adjustment made to the maximum for their respective classifications, with the following stipulations:
 - (1)** The total increase to an Association Member's salary during the fiscal year beginning July 1, 2008, resulting from step increases and market adjustments cannot exceed 7%, unless a larger increase is necessary to reach the minimum of the salary range for the Member's position.
 - (2)** If an adjustment to a salary range causes the maximum of the range to fall below the existing maximum, the existing maximum will be maintained ("red-lined") until further market movement increases the maximum beyond the maintained amount.

3. Deferred Compensation

- A. Unit Members who contribute into the City's deferred compensation plan shall be eligible to receive matching deferred compensation contributions from the City, as follows:

Less than 7 years of service	up to \$10 per pay period

- C. Exempt employees (employees exempt from provisions of the FLSA) may on occasion receive informal paid leave called exempt time for time worked in excess of their established work schedules. Exempt time will not be calculated hour-for-hour. Exempt time will be discussed in Labor-Management meetings.

4. Call-back Pay

- A. Non-exempt Unit Members called back to work after leaving City facilities upon completion of their regular shift shall be paid at one and one-half (1½) times their regular rate of pay and shall receive a minimum of two (2) hours' call-back pay. Thirty minutes of travel time to return to work duty shall be compensated at call-back rate and is included in the two hours' minimum. Premium pay received for call-back pay is included in the calculation to determine an employee's regular rate of pay for overtime purposes.
- B. Non-exempt Unit Members called to consult about work after completion of their regular shift will be paid at time and one-half (1 ½) the regular rate of pay for each quarter hour (over 7 minutes), with a minimum of one hour's pay. There will be no compensation for calls less than 7 minutes, cumulative daily.

5. Working Out of Classification

- A. A Unit Member will be paid for temporarily working out of his/her assigned classification at the higher of the following rates: 5% above his/her regular salary or the minimum of the salary range of the higher classification. 6. Hours of Work

- A. The regular work week for full-time employees is forty (40) hours. - B. Employees are entitled to be relieved from duty for an unpaid lunch break of 30 to 60 minutes and, under normal circumstances, for two paid 15-minute rest periods per shift. Employees who must remain on duty during their entire shift are paid for their one-half (1/2) hour lunch period.
- C. Any proposed changes to an employee's regular work schedule that are not temporary and do not involve a response to necessary public safety or emergency situations or City Council directives shall be communicated to the affected employee(s) at least 15 work days prior to implementation and, at the Association's request, shall be discussed in a Labor-Management Committee meeting. The requirements of this paragraph may be waived by mutual consent.

Article 8 – Vacation Leave

1. Unit Members on a forty (40) hour work schedule will accrue vacation in accordance with the following schedule, to be prorated for employees working a part-time schedule. Accrual amounts are based upon continuous service as a City of Tempe employee:

After completion of 10 years, but less than 15 years	13.33 hours per month

2. Non-exempt unit members who are required by their supervisor due to operational necessity to work on a city recognized holiday shall receive one and one-half (1.5) times their regular rate of pay or one and one-half (1.5) times the hours in Compensatory Time in addition to their holiday pay for each hour worked.  4. Non-exempt and exempt employees will be given a substitute day off with pay if operationally possible when a City recognized holiday falls on a non-work day. The substitute day shall be taken during the same pay period as the holiday. If the employee's supervisor cannot approve a substitute day off during the same pay period due to operational needs, the employee will receive one (1) day's pay at his or her regular rate (not overtime) in additional compensation for the holiday. Vacation leave, compensatory time and personal or wellness day(s) shall not be utilized in the place of a substitute holiday.
